Dog Watch encourages dog owners to be proactive and vigilant whilst walking their dogs.

The idea is for dog walkers to act as the eyes and ears for the local community and to report anything out of the ordinary on their regular routes. Because of their local knowledge, dog walkers notice unusual or suspicious activity and anti-social behaviour.

Joining Dog Watch will help you to report to the relevant authority whilst staying safe.

You have the opportunity to spot anything out of place or suspicious while walking your dog – and report it.

This includes:

- Suspicious activity or vehicles
- Graffiti and vandalism
- Nuisance vehicles and speeding
- Anti-social behaviour
- Fly-tipping
- Dog Fouling
- Hare coursing
- Dog related incidents
- Abandoned Vehicles

Joining Dog Watch also helps to build community relations and helps to reduce the fear of crime, deter offending and improve the quality of life in your area.
