Cambridgeshire Neighbourhood Watch Association Districts

All approved local Neighbourhood Watch Schemes are located in one of six Neighbourhood Watch Districts in the Peterborough and Cambridgeshire Combined Authority area.

Each district is part of the Cambridgeshire Neighbourhood Watch Association (CNWA) which is guided by an executive committee with representation from districts and the police. The CNWA boundaries match the boundaries of Cambridgeshire Constabulary Force area. This structure gives us the flexibility to match the diversity of our districts whilst providing the unity needed to achieve our aims of supporting safer and stronger communities.
